**Workampers**

There was discussion about paying workampers for extra hours and agreement that all workampers would have the option of pay for extra hours, if the workamper program is changed. Currently, John is running ads in 3-4 different areas. These ads do not offer extra hours or extra pay. The response has been nil.

There is \$5000 in budget for workamper expense and \$6000 for contract labor. Budget is only a guideline.

Workamper topics of discussion: (1) pay rate after they have worked their 20 hours (2) John has a list of specific duties for the workampers to be included in the 20 (unpaid) hours (2) meeting at beginning of season with John and workampers and any board members available (3) time sheets (4) pay would be hourly wage on a W2
