Priced - SN171 - \$42,000.00 & SN172 - \$45, 000.00

These are two of the highest lots of CORA – Top of the Mountain!

Aspens and Spruce trees, service center nearby. Great neighbors up here.

SN171 is a nice corner lot with views to the East and South to Pikes Peak.

SN172 next door has a large built-in shed and nice deck built into the Aspens. View from the back to the South West, overlooking the valley. Both are gorgeous lots.
