

CORA Organization Chart using Colorado Articles of Incorporation and Bylaws:

CORA is a non-profit corporation and must obey all Federal, State County, Employment laws and legal filings requirements. It is the responsibility of the Board to ensure this occurs.

CORA **owns all systems** (water, sewer, electric, roads, and all building), and common land. The Board is responsible for the upkeep of all of them. Please see 1979 Turnover document on the CORA web-site and Park County Assessor web-site.

The Organization information was obtained from Colorado Articles of Incorporation, By-Laws, and Governance documents. All are available on the CORA web-side.

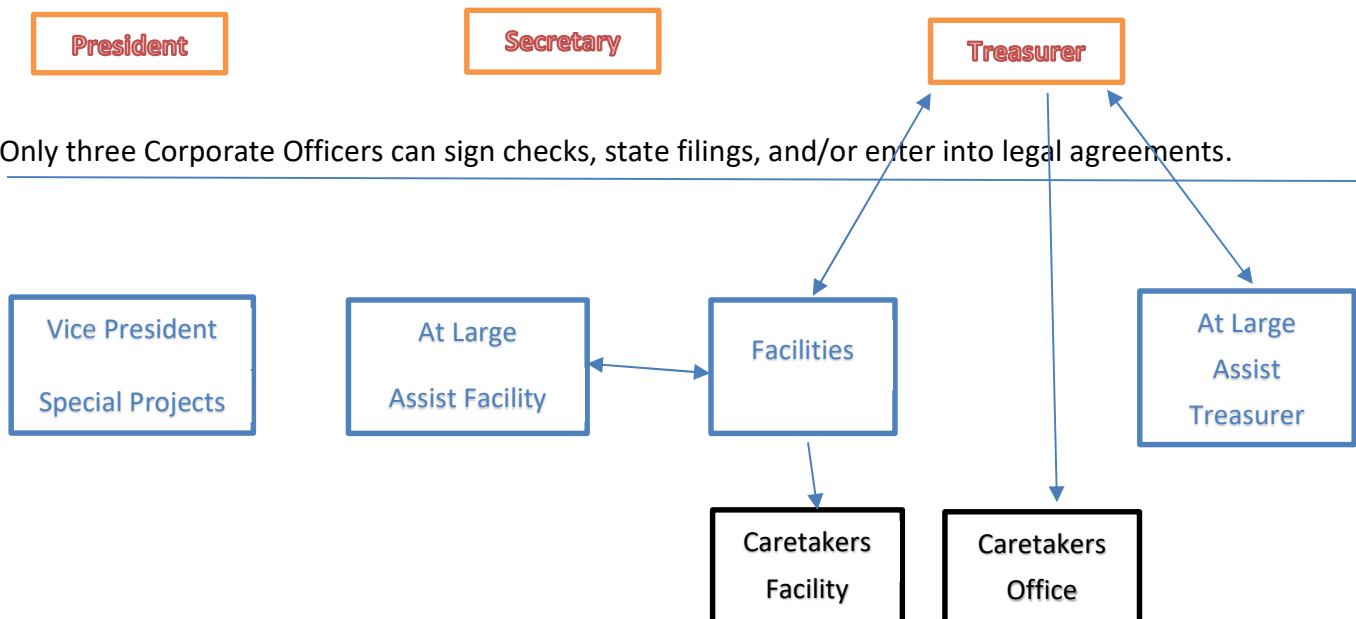

Each Corporate Officer position has different legal (Federal, State, Local, and Corporation) documents to sign or file. CORA uses OCH as a representative agent for most filings.

Each Corporate Officer position has Fiduciary responsibility.

A fiduciary is a person who holds a legal or ethical relationship of trust with one or more other parties. Typically, a fiduciary prudently takes care of money or other assets for another person

Facility position is not defined in any document but appears to have been in place for many years. Because only the Treasurer is authorized to disburse funds the positions must work closely together.

Full Job Descriptions for each position can be found on CORA web-site at <https://www.campgroundoftherockies.com/> Members Only section in CORA Documents/Other Documents, or seen in the Clubhouse Lobby

Job Descriptions Follow. Positions in red are Corporate Officers and CORA only Board members are in blue.
